

2025 OUTREACH GRANTS

Once again, due to the huge success of the Iona-Hope One More Time Thrift Store, we were able to award grants to the following organizations. Besides the dedicated group of volunteers who selflessly give their time, it just wouldn't be possible without your generous donations of furniture, clothes, and household goods.

If you or someone you know has gently used furniture to donate, please know that we will pick it up for free! Just call the thrift store at 239-437-5333 to schedule a pickup!

Thank you again for your continued support for this very important ministry. Without your donations it just wouldn't be possible!
